

CERTIFICATE OF APPROVAL

This is to certify that the Food Safety Management System of:

Döhler Neuenkirchen GmbH
Dorfstr. 17, 21763 Neuenkirchen
Germany

has been assessed by Lloyd's Register Quality Assurance and
complies with the requirements of

FSSC 22000:2010

Certification scheme for food safety systems including
ISO 22000:2005, PAS 220:2008, and additional FSSC 22000 requirements.

The certificate is applicable to:

**Manufacture and sales of fruit juice concentrates,
compounds and flavours.**

This certificate is provided on the basis of the FSSC 22000 certification scheme. The certification system consists of an annual audit of the food safety management system and an annual verification of the PRP elements and additional requirements as included in the scheme and PAS 220.
